

Corporate Challenge Examples

Blindfolded Climbing: Team members will climb blindfolded! The goal is to help one of your team members climb the wall, while they are blindfolded. Communication and trust are key in this game.

Water glass relay: Teams of climbers will work together to get a glass of water to the top of the wall without spilling its contents. This exercise requires organization of the team prior to the activity and physical cooperation amongst team members during the relay.

Bouldering Relay: We will split your group into two or more teams. The goal is to see which team will get the farthest traversing around our walls. One person climbs at a time, with the next team member starting where the last one left off. The object of the game is to see how well the team can utilize their strengths, come up with a plan and work together.

Note:

Rock Climbing Techniques and Rappelling will be applied when appropriate.
